Important information

How do I complete the application form?

To make an investment please: Complete the application form, sign it and email it with the KYC documents as outlined in the Application Form to: aliummn@apexfunds.com.au

The Fund processes applications monthly (unless advised otherwise). The completed application form and cleared funds must be received by Apex by close of business on the last business day of the month.

Tax File Number – (Australian Residents only)

You choose whether to quote your TFN on your application form. Without your TFN or appropriate exemption information, we are required to withhold tax at the highest marginal tax rate (plus Medicare levy) from income distributions made to you. An Australian Business Number (ABN) may be used as an alternative to a TFN if your investment is undertaken in the course of carrying out an enterprise.

What happens if I send an application form that is not valid?

The Trustee can accept or refuse any application and is not bound to give any reason or grounds for such refusal.

If your application is incomplete, we will retain the application money in a bank account until we receive the required information. Funds are held for a maximum of 30 days. After this time, the funds will be returned to the source of payment without interest.

Outstanding requirements may include:

- ✓ No application form being received
- ✓ Funds received under the minimum (\$250,000) for new investments
- ✓ Know Your Customer policy documents not provided.

Identification documents

We are required by law to collect information about and verify an investor's identity prior to issuing them with Units in the Fund. In order to fulfil these legal and regulatory requirements we must collect certain information and documentation:

Anti-Money Laundering and Counter-Terrorism Financing Act ('AML/CTF Act')

The AML/CTF Act obliges us to collect identification document(s) and other supporting information from our investors to verify the identity of the investor or Unitholder, the identity of any underlying beneficial owner of Units, or the source or destination of any payment to or from the Fund or any other purpose pursuant to the AML/CTF Act. Identification documents provided by you or your agent must be certified. Non-English documents must be accompanied by an English translation prepared by an accredited translator.

Tax Information

You will be required to complete a self-certification declaration which contains specific questions about investors' tax status for FATCA and OECD Common Reporting Standards (CRS) purposes. Tax Residency rules differ by country. Whether an individual is tax resident of a particular country is often (but not always) based on the amount of time a person spends in a country, the location of a person's residence or place of work. For the US, tax residency can be a result of citizenship or residency. The trustee is not able to provide advice to individual investors and cannot determine the impact or compliance obligations of FATCA and/or CRS for the investor's business activities. The trustee strongly encourages investors to seek the advice of an accountant or tax specialist to determine what actions they may need to take. Further information is available on the ATO website (ato.gov.au).
